margin and Adjusted EBITDA per share used to evaluate the Com

In Financial Services

The following table sets forth a summary of our results of ope

completion of the Connected Health and Wellness Project funded by the Federal Economic Development Agency for Southern Ontario, which was a two year initiative that ended March 31, 2014. This was partially offset by increase in incremental non-essential or post-software deployment professional services to some of our existing customers

expenses was mainly in the Healthcare segment. In the short-

Liquidity and Capital Resources

As at June 30, 2015, we held cash and cash equivalents of \$14,122. We believe that ongoing operations, working capital and associated cash flows in addition to our cash resources provide sufficient liquidity to support our ongoing business operations and satisfy our obligat

of Directors is responsible for overseeing this process. We manage capital to ensure that there are adequate capital resources while maximizin
